SECTION 1.1. Parties to the Agreement. This Agreement is entered into as of June 1, 2017 between the Northwest Indiana Contractors Association, Inc. (referred to herein as N.W.I.C.A.) solely for and on behalf of each of their individual members who are hereafter collectively referred to as “Employer” or “Employers” and the Technical Engineering Division, Local Union 130, U.A. AFL-CIO which is composed of competent layout technicians, instrument personnel, rod personnel, apprentices and trainees hereafter collectively referred to as “Union”.

SECTION 1.2. The Recognition Clause. The Employers represented by N.W.I.C.A. recognize the Union as the exclusive collective bargaining agent for all of their employees who perform constructional layout and related tasks falling under Appendix “A” of this Agreement for which the Union has been chartered by the United Association within a territorial jurisdiction of Lake, Porter, La Porte, Newton, and Jasper Counties in the State of Indiana and wherever else the Union has territorial jurisdiction. The Union recognizes N.W.I.C.A. as the exclusive bargaining agents of its individual member Employers with respect to their Employees.

The terms and conditions of this Section 1.2 notwithstanding, Employers signatory to this Agreement shall not be automatically bound to any Agreement existing or to be negotiated by Local 130 U.A. Technical Engineer Division and the Michiana Builders Association. However, should Local 130 reach an Agreement establishing a wage rate covering Pulaski, St. Joseph, and Starke Counties with the Michiana Builders Association, the parties shall meet and bargain in good faith over the application of the Collective Bargaining Agreement to the Employers future work.

It is understood and agreed that the foregoing Paragraphs of this Section shall not be construed as limiting the scope of bargaining unit work and that employees covered by this Agreement shall perform all work covered by the Articles of Jurisdiction of the Technical Engineering Division Local Union 130, U.A., included in Appendix A, which comes within the work jurisdiction for which the Union has been chartered by the United Association.

SECTION 1.3. Union Shop. The Collective Bargaining Agreement will be re-opened for the limited purposes of the (“UNION shop” provision) and the former Article 1.3, now deleted, will be reinstated as agreed upon by the parties if the Indiana Right to Work Act is repealed or declared invalid. Employer agrees to report to the Union of all new hires who will perform work under this Agreement after June 1, 2013.

SECTION 1.4. Subcontracting. No employees covered by this Agreement shall subcontract or accept a lump sum payment (lump) for the performance of any work under the jurisdiction of the Union. Parties violating this Section shall be penalized by their respective organizations though the Joint Arbitration Board. The Employers agree not to sublet, lump or contract for labor any work which comes under the jurisdiction of the Union with any member of the Union. Such subletting, lumping or contracting shall be considered a violation of this Agreement and summarily dealt with in accordance with the grievance procedures of this Agreement. Nothing herein prohibits subcontracting work to MBE, WBE, and DBE as long as the provision of this Agreement are binding upon and applicable to all work performed by said entities.

If an Employer, bound by this Agreement, contracts or subcontracts any work covered by this Agreement to be done at the jobsite of the construction, alteration or repair of a building, structure or other work, as described in Appendix A of this Agreement, to any other person or proprietor who is not signatory to this Agreement, the Employer shall require such subcontractor to be bound by all provisions of this Agreement, or the Employer shall maintain daily records of the subcontractor's or the subcontractor's employees jobsite hours and be liable for payment to the Pension Fund-Technical Engineering Division, Local 130, U.A., the Plumbers' Retirement Savings Fund, Local 130 U.A., the *Plumbers' Welfare Fund, Local 130, U.A., the Trust Fund for Education, Technical Engineering Division, Local 130, U.A., the Voluntary Savings Plan, Union Dues Deductions and the the Political Action Fund Check-off as provided for in Appendix B of this Agreement. Nothing in the Article shall make the Employer liable or responsible for any signatory subcontractor's payment of wages or fringe benefit contributions.

SECTION 1.5. Moonlighting. No employee shall be permitted to work for himself or work after hours or on Saturday, Sunday or Holidays as a self-employed Employer or work for another Employer as a subcontractor. First time violators may be summoned before the Union Executive Board in accordance with the procedures of the United Association Constitution. However, a trial shall be set for repeat offenders. Duly authorized representatives of the Union or of the Joint Arbitration Board shall, for cause, be allowed to visit any job and/or any Employer's place of business during working hours to interview the Employer or the Employer's duly authorized representative, or the men in his employ, to determine compliance with the Agreement. Further, it is agreed that job site visits by a union representative are without restrictions but that visits to the shop shall be by appointment if that is the Employer's policy.

The Business Representative shall be authorized to visit any job to enforce the provisions of this Agreement. The Business Representative agrees that while at the site of construction, he will comply with all applicable health and safety rules and regulations and will take no action which could jeopardize the health and safety of others working at the site of construction

It is agreed that any visits to any job and/or any Employer's place of business by duly authorized representative of the Union (including Business Representatives) or of the Joint Arbitration Board shall not unnecessarily interfere with the progress of the work being performed at the location of said visits.

Action will be brought before the Joint Arbitration Board by the Union or Employer when any audit reveals that any person who performs jurisdictional work has not been paid the prevailing rate and fringe benefits.

The Fringe Benefit Fund Trustees will review uncontested audits for underpayment of wages, and inform the Joint Arbitration Board of each violation, which will be prosecuted by the Union.

SECTION 3.5. Hearing. After receipt of a notice of dispute under Section 3.3 or 3.4, above, of this Article, the Secretary of the Joint Arbitration Board shall send the Employer written notice of the date, time and place of a hearing before the Board with respect to the dispute, together with a copy of the written notice of the dispute. Any such hearing date shall be at least fourteen

Such summons shall be served by registered or certified mail by the Secretary of the Joint Arbitration Board before which such dispute is pending. Such summons may compel the production of any document or the testimony of any witness which the Joint Arbitration Board deems relevant to the resolution of the case. Any non-contractor member called to testify before the Joint Arbitration Board shall be paid eight (8) hours pay at the current wage rate by the party requesting his testimony.

A quorum of the Joint Arbitration Board shall consist of at least three (3) Board members appointed by N.W.I.C.A. and at least (3) Board members appointed by the Union. The Board shall not take any action without the presence of a quorum. Decisions of the Joint Arbitration Board shall be by a majority vote which shall consist of fifty percent (50%) plus one (1) of those members of the Joint Arbitration Board present and voting.

The parties hereto agree that the members of the Joint Arbitration Board representing either or both of them in proceedings before such Joint Arbitration Board under the provisions of this Agreement shall be indemnified as Joint Arbitration Board members against judgment, court costs and attorney's fees incurred and/or paid by the Joint Arbitration Board members in defending any suit or legal proceeding brought against the Joint Arbitration Board members in their respective capacity to enforce any liability or alleged liability on account of any loss, claim or damage which, if established against the Joint

Arbitration Board members, shall constitute a valid and collectible loss sustained by either appropriate party under the terms of this Agreement.

In the event of any other suit or action against a member or members of the Joint Arbitration Board for or on account of an act performed pursuant to the authority provided for in this Agreement, the Joint Arbitration Board may draw upon funds which are in its hands or under its control subject to such rules and provisions as the Joint Arbitration board may establish relating to the disposition of such funds.

In consideration of such indemnity, the Joint Arbitration Board members shall promptly give notice to the Joint Arbitration Board, and the Union and N.W.I.C.A. of the institution of any such suit or legal proceeding. At the request of the Union or N.W.I.C.A., the Joint Arbitration Board members shall furnish copies of all pleadings and other papers therein, and at the election of either the Union or N.W.I.C.A. shall permit either or both to conduct the defense of such suit or legal proceedings in the name of the Joint Arbitration Board by and through attorneys of their own selection. In the event of such election the named Joint Arbitration Board member or members shall give all reasonable information and assistance other than pecuniary which shall be deemed necessary to the proper defense of suit or legal proceeding.
