

125th ANNIVERSARY OF PLUMBERS LOCAL 130 POSTPONED

Dear Friends:

Earlier this year you received a Save the Date postcard inviting you to celebrate the 125th Anniversary of Plumbers Local 130 which was to be held on October 10, 2020. We are sad to announce, due to current conditions with Covid-19 and the uncertainty of this virus, we have made the difficult decision to postpone this event for the safety of our friends and constituents.

We wish you and your families all the best in these unprecedented times.

Sincerely,
James F. Coyne
Business Manager
