UA General President Mark McManus Tours State-of-the-Art Joliet Training Center and Offers High Praise to Local 130

Greetings Brothers and Sisters,

In 2023, we continue our positive momentum from the last quarter with the passage of the Workers' Rights Amendment, a very-well attended Football Smoker and a visit by UA General President Mark McManus to our state-of-the-art Joliet Training Center this past November.

I am happy to report that UA General President McManus was very impressed with our training facilities when he made his visit and spoke with apprentices and instructors at the Joliet Training Center. He also attended the Plumbers Contractors Association meeting where we both had the opportunity to speak with our valued and trusted partners and contractors.

The General President's positive comments from his visit really underscore the significance and level of training that we provide to our members at Local 130. General President McManus highlighted key points during his visit that included that our overall core mission is to: "supply skilled qualified manpower to signatory union contractors," and he stressed that "there is not a training facility that does it better than Local 130" across the nation. Jim Pavesic, the former UA Director of Education & Training echoed these sentiments recently when he commented that he could not recall opening up two training centers for the same Union in five years as Local 130 has done.

I am very pleased by the cohesive teamwork that we continue to experience

at Local 130. My focus has always been and will continue to be to take care of our membership and their families through important healthcare and pension benefits. These initiatives include providing three training centers with hands-on training, wet labs, classroom instruction and so much more. We also provide top-notch health care options through our Union Wellness Centers. In short, we are training and caring for our members at a very high standard and we are truly in the business of "training plumbing professionals."

Eighth UWC To Open Soon in Merrillville, Indiana

I am also excited to share that the opening of the 8th Union Wellness Center and Union Eyes will be opening soon in Merrillville, Indiana. This facility will offer the same high-level services and amenities as well as no deductible, no copay that is also available at the seven other UWC facilities that we have operational in Illinois and Indiana. These facilities are all available to the nine local participating Unions including Heat and Frost Insulators Local 17 that recently became part of this coalition as of January, 2023.

CISCO Names Local 130 Parking Garage Named Among the 2022 Project of the Year Winners.

This past December, our new parking garage was named among the 2022 Project of the Year Winners by the Construction Industry Service Corporation (CISCO). We were so pleased that our 500+ space

on-site parking garage structure was cited for being a top quality project in the Category of New Construction in Chicago. CISCO noted that this project's design "encourages walkability, while alleviating traffic and street parking on West Randolph and surrounding neighborhoods," and is a "long-term asset" that provides parking spaces for Union membership but is also a viable parking option for families in the West Loop. CISCO officials referred to the project as one that can be viewed as "raising the bar on the typical parking structure, the building transforms a flat parking lot into a dynamic and modern facility the neighbors can embrace." We are proud of this addition to our facility and for this special recognition from CISCO. A special thanks also goes out to our general contractor W.E. O'Neil.

Rebuilding Together Metro Chicago

We are also looking forward to the annual Rebuilding Together event on April 29. It is an important day of giving back to those in need. We are expecting a great turnout once again from our membership for this great cause. See page 6 of the newsletter for more information on how to sign-up for this annual volunteer event.

I look forward to seeing you at our next Union meeting on Thursday, February 16. I wish you good health, safety and prosperity throughout the year.

In Solidarity,

James F. Coyne

Annual Football Smoker - Political Action Committee

(L-R) Rep. Mike Kelly; Ald. Samantha Nugent; Ald. Michelle Harris; Plumbers Local 130 Business Manager, Jim Coyne; Mayor Lori Lightfoot; Senate President Don Harmon; State Senator Cristina Castro; Speaker of the House Emanuel "Chris" Welch and Business Manager Iron Workers Local 63, Paul Wende.

On Sunday, November 20th, Plumbers Local 130 hosted their annual "Bears Football Smoker Political Action Fund-raiser" at the Stephen M. Bailey Auditorium. The 1,300 tickets were all sold and although the Bears didn't win, it was a great game! Everyone enjoyed themselves, there was lots

of great conversations and food to eat! The Football Smoker was attended by a number of City and State officials including IL Speaker of the House Emanuel "Chris" Welch, IL Senate President Don Harmon and Chicago Mayor Lori Lightfoot.

Comments that were shared with us at the Football Smoker event:

- ◆ "I came to this event to support the Plumbers. What they do is so important to our city and state. I will always stand by the Plumbers." - **Illinois Speaker of the House, Emanuel "Chris" Welch**
- ◆ "What a great event, the Plumbers and their friends celebrating a good Chicago Bears game. It is a reminder of how far the reach of the Plumbers extends. The Plumbers will always have a friend in Springfield." - **Illinois Senate President Don Harmon**
- ◆ "I have come to deeply appreciate the work of the Plumbers led by James F. Coyne. He's a visionary leader, an incredible advocate and he has an understanding that the way forward is through collaboration. I admire that the Plumbers support member wellness, the diversity of the Union and work collaboration with other Unions to build a network and a strong organized Union across the Chicagoland region. I will always stand with the Unions." - **Chicago Mayor Lori Lightfoot**

November Meeting/Turkey Raffle

The Local 130 meeting was held on Nov. 8th. Prior to the meeting, the annual Products Show was held where vendors set -up displays that showed the most current plumbing components that are recommended to ensure the reliability

and safety of plumbing systems. In the spirit of the Holiday Season, the meeting also included Local 130 giveaway gift bags and gift cards that were part of a raffle.

UA GENERAL PRESIDENT MARK McMA

This past November, UA General President Mark McManus was the guest speaker at our state-of-the-art Joliet Training Center and he also attended a meeting with the Plumbers Contractors Association with Jim Coyne, Local 130 Business Manager. Together they also had the chance to speak with our valued and trusted partners and contractors. During his visit, UA General President McManus had high praise for the Local training facilities and the important work of the Local 130 plumbing professionals. To check out excerpts from his remarks from November 9 and 10, 2022 visit the Local 130 website: www.plumberslu130ua.com.

Plumbers Local 130 UA A Look Back in History

1999 - 24 YEARS AGO

Union Plumbers are recognized for donating their time through the Richard M. Daley Plumbers for Seniors Program. This program was recognized by the Illinois Dept. of Aging for the "Unique Achievement Award." This award was designed to recognize individuals and organizations for their commitment and longstanding service to senior citizens. It was the first time the recipient was from Cook County!

Rebuilding Together Metro Chicago improves homes and neighborhoods of people in need so they may continue to live in warmth, safety and comfort. Local 130's involvement with this program dates back to 1992. This is our 31st year volunteering for this worthwhile cause. Volunteers are needed. If you are interested in attending the April 29th event, sign-up sheets will be available at the March & April Union meeting.

Did you know?

You could save on home insurance. Your local COUNTRY Financial representative can share a variety of discounts that are available for our clients, but here are just a few:

- 1. Bundle coverage** – Purchase another policy (like life or auto) and you could save some money.
- 2. Install extra protection** – Monitored burglar or fire alarms help keep you safe and could lower your bill.
- 3. New roof discount** – Have you removed and replaced your roof recently?
A new roof could save you money.
- 4. Smart home discount** – You could save when you equip your house with smart home technology, like smart thermostats, smart theft systems, water leak detectors or smart fire/smoke detectors
