ARTICLE I RECOGNITION

SECTION 1.1 Parties to the Agreement. This Agreement is made and entered into as of June 1, 2024 between the West Suburban Association of Plumbing Contractors (WSA), solely for and on behalf of each of their individual members, who are duly licensed by law and bonded to engage in the plumbing business, are established in that business, intend to employ not less than two (2) journeymen or one (1) journeyman and one (1) apprentice, and hereafter are collectively referred to as “Employer” or “Employers,” and Plumbers Local Union 130 UA, which is composed of competent licensed journeymen and apprentices who are duly authorized by law to install and inspect all plumbing work, and which hereinafter is referred to as “Union.”

SECTION 1.2. Recognition Clause. The Association and the Employers it represents in bargaining recognizes Plumbers Local Union 130 UA (the “Union”) as the sole and exclusive bargaining representative for all of their employees who perform any of the work applicable within the Articles of Jurisdiction as set forth in “Appendix A” to this Agreement for which the Union has been chartered by the United Association within the City of Chicago, Illinois, Bureau, Cook, DeKalb, DuPage, Grundy, Iroquois, Kane, Kankakee, Kendall, Lake, LaSalle, Livingston, Marshall, McHenry, Putnam, Will and Woodford counties, Illinois and wherever additional geographic and territorial jurisdiction may be awarded by the United Association. The Union recognizes the WSA as the exclusive bargaining agent of its individual member Employers with respect to their employees.

Employees covered by this Agreement shall place in position and connect all materials, appurtenances, devices, fixtures and equipment used in the construction of plumbing as well as handle, unload and distribute all of the above mentioned upon and after its arrival on the job site or premises. When fixtures or equipment are protected by covering during construction, such covering shall be put on and removed and fixtures cleaned by employees covered by this Agreement.

Employees covered by this Agreement shall do all the laying out, cutting and drilling of all holes, chases and channels, the setting and erection of bolts, inserts, stands, brackets, supports, sleeves, thimbles, hangers, conduits and boxes used in connection with work falling under the jurisdiction of the Union.

It is understood and agreed that the foregoing Paragraphs of this Section shall not

be construed as limiting the scope of bargaining unit work and that employees covered by this Agreement shall perform all work covered by the Articles of Jurisdiction included in Appendix A which comes within the work jurisdiction for which the Union has been chartered by the United Association.

SECTION 1.3 Union Shop. All journeymen and apprentices who are now in the employ of the Employers covered by this Agreement, and all journeymen and apprentices who are hereafter employed by Employers covered by this Agreement, shall, as a condition of employment, become members of the Union on the earliest date provided by applicable federal law after their employment, or the effective date of this agreement, whichever is later, and shall, as a condition of employment, remain members of the Union during the term of this Agreement.

SECTION 1.4 Subcontracting. No journeyman shall be permitted to subcontract or accept a lump sum payment (lump) for the installation of any work under the jurisdiction of the Union. Parties violating this Section shall be penalized by their respective organizations through the Joint Arbitration Board. The Employers agree not to sublet, lump or contract for labor any work which comes under the jurisdiction of the Union with any member of the Union. Such subletting, lumping or contracting shall be considered a violation of this Agreement and summarily dealt with, in accordance with the grievance procedures of this Agreement. Nothing herein prohibits subcontracting work to MBE, WBE, and DBE as long as those entities are signatory to an Agreement with the Union.

The Employer agrees that in the event the Employer subcontracts any work coming under the provisions of this Agreement to any other person or firm, the Employer shall subcontract the same only to another Employer who is a party to this Agreement. A refusal of employees to render services upon a job site where this subsection is violated shall not be a violation of this Agreement for any purpose, nor shall such refusal be cause for discharge.

SECTION 1.5 Moonlighting. No employee shall be permitted to work for himself or work after hours or on Saturday, Sunday or Holidays as a self-employed Employer or work for another Employer as a subcontractor. First time violators may be summoned before the Union Executive Board in accordance with the procedures of the United Association Constitution. However, a trial shall be set for repeat offenders. Discharge from employment for repeat offenders will not be construed as a violation of this Agreement.

SECTION 1.6 Access to Premises. Duly authorized representatives of the Union or of the Joint Arbitration Board shall, for cause, be allowed to visit any job

and/or any Employer's place of business during working hours to interview the Employer or the Employer's duly authorized representative, or the men in his employ, to determine compliance with the Agreement, but there shall be minimal interruption to the progress of the work. Further, it is agreed that job site visits by a Union representative are without additional restrictions but that visits to the shop shall be by appointment if that is the Employer's policy.

Duly authorized representatives of the Fringe Benefit Funds shall be extended the same right, as described above, in order to inspect or audit all books and records of the Employer which pertain or relate to the Employer's compliance with this Agreement. Such records which shall be available for inspection or audit include but are not limited to payroll and time records, time books, payroll and income tax returns, blueprints, contracts, invoices, permits, and documents related to workers compensation, public liability and unemployment insurance coverage. It is understood and agreed that such visit, inspection or audit shall in no way hinder the progress of the work being performed. Should the Employer refuse to permit such inspection or audit as authorized by this Article, the Employer shall be liable for all costs and legal fees incurred by the Union or the Fringe Benefit Funds in obtaining a court order requiring the Employer to permit such inspection or audit. Such liability shall be in addition to and not in lieu of any relief or remedies available in such proceeding to the Union, or the Trustees of the Fringe Benefit Funds under any Illinois or federal law.

SECTION 1.7 Exclusivity. If at any time, the Union should enter into any collective bargaining agreement for its members for work described in Section 1.2 hereof, which in the opinion of the WSA (Association) contains terms and conditions more favorable than the terms and conditions contained in this collective bargaining agreement, then the Association may, upon written notification to the Union, adopt such terms and conditions, and this Agreement shall be modified accordingly.

This provision shall not apply to Kankakee & Iroquois Counties. This provision shall not apply to any national agreement or Project Labor Agreement whose terms are available to all bidders.

ARTICLE II STRIKES AND LOCKOUTS

SECTION 2.1 Lockouts. The Employer agrees that there shall be no lockout of employees during the term of this Agreement.

SECTION 2.2 Employee Job Action. The Union agrees that there shall be no abandonment of work over any matter which is subject to arbitration, provided, however, that the Union may withdraw its members from the employ of, picket and/or use other lawful economic means against any Employer by reason of the Employer's non-payment of wages, deductions or contributions or the Employer's failure to obtain, maintain in full force and effect and keep on file with the Union the requisite bond or irrevocable letter of credit and workers' compensation insurance as more fully provided under this Agreement, notwithstanding that disputes over such matters are subject to arbitration hereunder.

ARTICLE III DISPUTE RESOLUTION

SECTION 3.1 Grievance Arbitration. Disagreements or disputes arising under or which involve interpretations of this Agreement, shall be processed and settled by arbitration in the manner set forth in this Article.

SECTION 3.2 Joint Arbitration Board. The parties hereto agree that all arbitrable disputes arising between them shall be submitted to a Joint Arbitration Board. The Joint Arbitration Board shall be comprised of ten (10) members, consisting of five (5) members appointed by the WSA and five (5) members appointed by the Union. A quorum of the Joint Arbitration Board shall consist of at least three (3) Board members appointed by the WSA and at least three (3) Board members appointed by the Union. The Board shall not take any action without the presence of a quorum. Decisions of the Joint Arbitration Board shall be by a majority vote which shall consist of Fifty percent (50%) plus one (1) of those members of the Joint Arbitration Board present and voting.

The duties of the Joint Arbitration Board shall be to decide on all cases as presented and in conformity with the sections contained in this Agreement. In the event of deadlock by the Board, whereby a decision cannot be rendered, the case will be assigned to an arbitrator mutually agreeable to the Board members. In the event the Board members are unable to agree on an arbitrator, the Board shall give written notice of such inability to agree to the parties to the arbitration. Thereafter, the parties shall request the American Arbitration Association to submit a list of seven (7) arbitrators. The parties shall alternate in striking names from the list until one name remains, with the first strike to be made by the party initiating the arbitration. The person whose name remains shall be the arbitrator. The arbitrator shall have no authority to vary or ignore the provisions of this Agreement. The arbitrator's decision shall be final and binding on the parties to the arbitration. The expenses of the arbitrator shall be divided equally between the parties to the

arbitration, except that no employee shall be required to pay any such expense.

The Joint Arbitration Board shall meet twelve (12) times during the calendar year, or as needed, for the purpose of considering current and new business. The reasonable and necessary expenses and costs incurred by the Joint Arbitration Board in performing its functions under this Agreement, as authorized by the Union, The Fringe Benefit Funds and West Suburban Association of Plumbing Contractors Industry Fund who are entitled to payments or contributions under this Agreement, shall be paid by them in proportion to their interests out of the sums collected as liquidated damages pursuant to Article IX, Section 9.8 hereof, to the extent that such sums are available; otherwise such expenses and costs shall be borne and paid for by the parties thereto.

Within a period of thirty (30) days' time after the execution of this Agreement, the Joint Arbitration Board shall meet, organize, elect a Chairman, Secretary and Treasurer and transact any business that may properly come before the Joint Arbitration Board. The Secretary need not be a member of the Joint Arbitration Board and in that event the Secretary shall have no vote.

SECTION 3.3 Audits. An auditor(s) selected by the Fringe Benefit Funds shall conduct an audit to determine whether the employer is complying with his contract obligations concerning fringe benefits being paid, wages being paid, and dues deductions being paid. Such auditor(s) shall be an agent of the Fringe Benefit Funds. Audit disputes concerning wages and/or dues deductions being paid shall be heard by the Joint Arbitration Board whose decision will be final and binding. Audit disputes concerning fringe benefits shall be determined by the audit and collection policy of the Fringe Benefit Funds.

SECTION 3.4 Other Contract Violations. In the event of an alleged contract violation other than one which is subject to Section 3.3 of this Article, immediately above, a Business Representative or other representative designated by the Union will notify the Employer of such alleged violation and attempt to resolve the matter informally. If the matter is not resolved or if the Employer refuses to meet in a reasonable and timely fashion with the Union's Representative to resolve the matter, said representative shall notify the Secretary of the Joint Arbitration Board and the West Suburban Association of Plumbing Contractors in writing of the existence of a dispute.

It shall be considered a violation of this Agreement for any plumbing contractor to intentionally omit backing supports for plumbing fixtures and accessories from an appropriate bid package. Further, any plumbing foreman or

superintendent who knowingly refrains from directing journeymen or apprentices under his/her charge to install all backing and accessories related to a plumbing system shall be found in violation of this Agreement. Both the Employer and the employee may be summoned before the Joint Arbitration Board for appropriate action.

A plumbing contractor must submit with their initial proposal an appropriate bid in accordance with the above. If it is not accepted, there will be no action taken against the contractor or his employee by the Union.

SECTION 3.5 Hearing. After receipt of a notice of dispute under Section 3.3 or 3.4, above, of this Article, the Secretary of the Joint Arbitration Board shall send the Employer written notice of the date, time and place of a hearing before the Board with respect to the dispute, together with a copy of the written notice of the dispute. Such notice shall be provided no later than twenty-one (21) days before the scheduled date of the hearing. This said hearing notice shall include or be accompanied by a plainly stated explanation of the specific violations citing the contract sections and language that the Employer is being charged with, and shall clearly state that it is permissible for the Employer's attorney to be present at the JAB hearing and all related meetings at which the Employer is present. The Board members present at the hearing shall hear the evidence in the case and shall render a decision which it will issue in writing over the signature of the Secretary of the Board. Said decision shall be final and binding on the parties to this Agreement. The Secretary of the Board will make or direct the making of the official minutes or transcription of the hearing. No other recording of the hearing is permitted. The Employer must appear at the hearing. Appearance through an outside representative only does not constitute the Employer's appearance. If the Employer is unable to so appear at the date, time and place set forth in the notification of hearing, he shall promptly notify the Board's Secretary in writing of the reasons therefore and request a postponement. Such request for postponement must be received by the Secretary no later than the close of business of the seventh day before the time scheduled for the hearing. A request for a postponement will be granted only for good and sufficient reasons. No Employer will be granted more than one (1) postponement in the same case. If the Employer fails to appear at a scheduled hearing or at a hearing postponed to a later date at his request or if an Employer's request for postponement is not received by the Board's Secretary in the timely manner as set forth hereinabove or is denied, the Board members shall hear the case at the appointed time notwithstanding the Employer's failure to appear and shall decide the case upon the evidence before it in the same manner as set forth hereinabove, which decision shall be final and binding on the parties to this Agreement. Any decision of the Joint Arbitration Board

shall be issued in writing within thirty (30) days of the hearing or within thirty (30) days of any additional information requested by the Board.

SECTION 3.6 Powers of the Joint Arbitration Board. The Joint Arbitration Board shall have full power to enforce this Agreement against offending employees and/or Employers by appropriate penalties or remedies including, without limitation, fines, replacement of defective work without pay, or other appropriate sanctions. The Joint Arbitration Board has the power to assess attorney fees and costs. The Joint Arbitration Board shall have full power to summon Employers, the Union and employees covered by this Agreement against whom charges of violations have been preferred and to summon Employers and employees covered by this Agreement to testify in any manner before the Joint Arbitration Board. Such summons shall be served by registered or certified mail by the Secretary of the Joint Arbitration Board before which such dispute is pending. Such summons may compel the production of any document or the testimony of any witness which the Joint Arbitration Board deems relevant to the resolution of the case. Failure of the Employer or employees to respond when so summoned, except for valid reason, shall subject him or them to the payment of any cost incurred by the Joint Arbitration Board in connection with such failure to respond.

SECTION 3.7 Indemnification of the Joint Arbitration Board. The parties hereto agree that the members of the Joint Arbitration Board representing either or both of them in proceedings before such Joint Arbitration Board under the provisions of this Agreement shall be indemnified as Joint Arbitration Board members against judgment, court costs and attorney's fees incurred and/or paid by the Joint Arbitration Board members in defending any suit or legal proceeding brought against the Joint Arbitration Board members in their respective capacity to enforce any liability or alleged liability on account of any loss, claim or damage which, if established against the Joint Arbitration Board members, shall constitute a valid and collectible loss sustained by either appropriate party under the terms of this Agreement.

In the event of any other suit or action against a member or members of the Joint Arbitration Board for or on account of an act performed pursuant to the authority provided for in this Agreement, the Joint Arbitration Board may draw upon any funds which are in its hands or under its control subject to such rules and provisions as the Joint Arbitration Board may establish relating to the disposition of such funds.

In consideration of such indemnity, the Joint Arbitration Board members

shall promptly give notice to the Joint Arbitration Board, and the Union and the WSA of the institution of any such suit or legal proceeding. At the request of the Union or the WSA, the Joint Arbitration Board members shall furnish copies of all pleadings and other papers therein, and at the election of either the Union or the WSA shall permit either or both to conduct the defense of such suit or legal proceedings in the name of the Joint Arbitration Board by and through attorneys of their own selection. In the event of such election the named Joint Arbitration Board member or members shall give all reasonable information and assistance other than pecuniary which shall be deemed necessary to the proper defense of suit or legal proceeding.

Joint Arbitration Board members found guilty of fraudulent or illegal conduct shall not be indemnified under this Section.

ARTICLE IV WORKING CONDITIONS

SECTION 4.1 General Policy. The Employers agree to make all reasonable provisions for the safety and health of their employees during the hours of their employment. The Union agrees to promote in every way possible the realization of the responsibility of the individual employee with regard to preventing accidents to himself and to his fellow employees during the hours of their employment.

Any person who is, will be or was required to attend plumbing classes two evenings each week for 24 consecutive months, as a condition of membership in the Union, is mandated to complete training in HAZCOM and OSHA safety classes, or to produce proof such training has been completed. 5. For more than one (1) Employer at the same time.

SECTION 4.5 Plumbing Codes. The Employer shall comply with all plumbing codes of the various municipalities in which the work is being installed. Any violation of said plumbing ordinances shall be reported to the office of the Business Manager of the Union.

The Union reserves the right to have its Business Representatives witness all tests of any plumbing systems.

SECTION 4.6 Older Workers. At least one out of every five (5) Local 130 members working for the employer shall be older Local 130 members.

SECTION 4.7 Non-Discrimination Policy. Each Employer bound under the terms of this Agreement shall promulgate and enforce policies forbidding any sexual harassment or discrimination based on race, color, religion, creed, sex, national origin, age, marital status, disability or unfavorable discharge from military service.

SECTION 4.8 Staffing. In order to provide for the safety and health of their employees, the Employer agrees that at no time shall there be less than two (2) journeymen, or one (1) journeyman and one (1) apprentice, working in any one (1) building of any job or job site (except, however, that this provision shall not apply to jobbing work as the term is generally used in the industry). The Employer shall be the sole judge of the number of additional men required.

An Employer who employs at least one (1) journeyman may also employ one (1) apprentice for performance of jurisdictional work. A one (1) journeyman to one (1) apprentice ratio shall be maintained at all times, except as specified by this Agreement. The Working Contractor shall count as a journeyman for the purpose

of establishing this ratio. This apprentice ratio shall be reviewed on an annual basis by the parties for modification on or before June 1st each year. Without agreement by the parties, the apprentice ratio shall revert to one (1) apprentice for every two (2) journeymen on June 1, 2021.

An Employer who employs at least one (1) apprentice may request one (1) metal tradesman for the performance of non-jurisdictional work. Thereafter, an employer may request one (1) additional metal tradesman for every five (5) apprentices employed. This ratio does not apply to employees in the Mc through Me classifications described in Section 4.8(b) of this Agreement.

Employers engaged in residential work relating to the service, maintenance and construction of single family residences, garden type and walk-up residential apartments of three levels or less as well as Employers engaged in commercial and service maintenance (defined as interior plumbing not exceeding \$30,000) shall be entitled to a one (1) to one (1) journeyman to apprentice ratio.

All Employers who do not employ two (2) employees, as stipulated in the area agreement, will be required to meet with the Local Union 130 Business Manager as soon as possible. The Employer will be told that he is required to comply with the terms of the agreement (with the understanding that temporary latitude may be allowed in a depressed economy).

However, during the times that the Employer is not in compliance with the Agreement:

- a. Each week the Employer is required to send a written report to the Union of all jobs on which his company is working.
- b. His company will be audited every six (6) months and at year end.
- c. Any and all of his employees will submit an affidavit annually stating that, "to the best of his (the employee's) knowledge, he performed all the jurisdictional work completed by the shop."
- d. Progress and status of these shops will be reported through the Joint Arbitration Board and violation of the agreement may result in a fine of the value of wages and fringes for all hours worked by others, other than the Journeyman.

The Union agrees to supply skilled men to the extent that they are available, to the members of the WSA, it being understood that the Union shall furnish men to all other Employers with whom it has Agreements governing wages and working conditions. When employment opportunities exist within the industry, the Union will refer men only to Employers with whom the Union has signed Agreements.

The Metal Trades Division of the Union is composed of members employed by Employers to perform tasks not requiring a plumber's license or other tasks described as non-jurisdictional work. Any employee in the Metal Trades Classification is not allowed to work on any Prevailing Wage jobs. The Employers may, with the written approval of the Business Manager of the Union, hire a probationary metal trades division (M0 classification) for a period not to exceed three (3) months for the purpose of evaluating the potential new hires.

Wages for these employees are determined by the Apprentice Wage Scale. While contributions to the Fringe Benefits Funds will not be required for probationary Metal Trades Journeymen (M0 classification), hours worked by probationary Metal Trades Journeymen (M0 classification) will be shown on the Employer's Monthly Contribution report. Starting with the 4th month of employment, benefit contributions will be required as stipulated in Article 6.1 of this Agreement.

An employee in the Metal Trades Division may, upon the request of the Employer, enter the Apprentice Program provided the requirements of the Apprentice Committee are satisfied. Credit for hours worked as a metal tradesman toward hours required for completion of an apprenticeship will be granted with the approval of the Business Manager and the Joint Apprenticeship Committee.

4.8(b) Metal Tradesman Mc, Md, Me

Upon written approval of the Union Business Manager, the Employer may hire on a temporary trial basis a Mc program metal tradesman from any source for a maximum period of employment of twenty four (24) months. The Union Business Manager will respond with approval or denial to any such request within one (1) week. Thereafter, when retained by Employer, the employee either is promoted to Metal Trades Journeyman third year status pay and benefits, or upon applying and meeting all standards of entrance is accepted into the Plumbers 130 Apprentice Program. Any Employer hiring a metal trades employee and failing to obtain Union Business Manager's approval, upon audit, shall be required to pay all wages and fringe benefits of a Metal Trades Journeyman M6 to the Trust Funds of the Local Union back to the original date of hire.

The Employer will send written notification of the employee's metal trades class Me status at the termination of the twenty four (24) month period. During the second year of employment the individual shall make application to the earliest class available to the Local 130 JAC to become a first year probationary

apprentice. Said candidate shall be required to meet all standards of entrance into the Plumbers 130 Apprentice Program.

The number of metal tradesmen class Mc – Me in the employ of a signatory employer will be permitted at a rate of one (1) metal trades Mc – Me to one (1) apprentice to one (1) journeyman. All three are classifications covered by the Collective Bargaining Agreement and Appendix C thereto regarding wages, benefits and employment progression.

Mc Classification-0-3 Months

The wages paid to the metal trades class Mc employee will be twenty-six percent (26%) of the then current Building Trades Journeyman Plumbers rate at time of hire during months 0 – 3 of the probationary period.

During this probationary period he shall receive no fringe benefits or payroll deductions and all contributions and payroll deductions will be paid in accordance with Appendix C.

Md Classification-4-12 months

With completion of probationary period, this employee becomes a union member. Employee's wages remain at 26% of the then current Building Trades Journeyman Plumbers rate, fringe benefits and payroll deductions to be paid in accordance to Appendix C.

Me Classification- Year 2

Upon the employees' anniversary date of hire, the rate of pay shall be thirty (30%) of the then current Building Trades Journeyman Plumbers rate; benefits to be paid in accordance to Appendix C.

Mc –Me Classification

Mc – Me Class employees shall not perform tasks requiring a plumbers license.

The Section 9.1 Retirement Savings Fund, a defined contribution plan (DC plan) will be the sole pension plan under this Section 4.8(b).

Upon entrance in the Plumbers 130 apprentice program, wages and fringe benefit levels shall continue under Appendix C until the attainment of a City of Chicago or

State of Illinois Journeyman Plumbing License or at the M3, M4, M6 or M7 rates if retained in employment.

SECTION 4.9 Pipe Cutting. All sizes of pipe shall be cut and threaded and/or welded and fabricated by employees covered by this Agreement. There shall be no restrictions on the use of power equipment. Where it is impractical or a hardship to cut, thread, or weld pipe on the job in the opinion of the Employer involved, such pipe may be cut, threaded or welded and fabricated in the shop. Flashings and air chambers shall be made on the job or in the shop by journeymen plumbers and/or apprentices covered by this Agreement. Such cutting, threading, and/or welding, fabrication and making of flashings and air chambers shall be performed by journeymen and apprentices of the Union.

All pipe, hanger rod and fabricated piping of any size which is cut in the shop of the Employer or in any approved Employer's shop covered by this Agreement shall be labeled by the journeymen performing the work. The journeymen who obtain the labels from the office of the Business Manager of the Union shall be held accountable for said labels.

All sizes of pipe shall be cut and threaded by employees covered by the Collective Bargaining Agreement of Local Union 130, except for pipe nipples which are defined as lengths of 10 inches or less.

SECTION 4.10 Specifications. Specifications and contract information forms shall be distributed by the Union to all Employers. The Employer shall complete these forms for all jobs above Two Hundred Thousand Dollars (\$200,000.00) for which he has received a signed contract and within ten (10) days after receipt of such signed contract shall forward a copy of the form to the office of the Business Manager of the Union. Intentional falsification of information on these forms shall constitute a violation of this Agreement.

SECTION 4.11 Plumbing Supervision. It is understood that for the purpose of maintaining a proper record and check on all work which comes under local ordinances and/or the Illinois Plumbing License Law such work should be done under the supervision of a licensed and bonded Plumbing Contractor, and by licensed journeymen and apprentices and to protect the public against unsanitary installation by unqualified men, it will not be considered a violation of this Agreement for any journeyman to adhere to the rules of the Union. Nothing shall be incorporated in the "Working Rules" of the Union that conflict in any way with the provisions of the Agreement.

SECTION 4.12 Rule Violators. It is expressly understood and agreed that neither the Employer nor the Union shall have any right, title, interest, or power over such money so forwarded, but that all money so forwarded, deposited or accrued shall at all times remain the exclusive property of the employee from-whose pay such deductions are made.

An Employee may change their deferral amount once per year by July 1 as determined by the Trustees of the Retirement Savings Fund. An employee may cease making salary deferrals at any time upon proper written notice to their Employer and the Retirement Savings Fund. Such employee may only resume salary deferrals on the following July 1.

Under the Retirement Plan contributions for first, second and third year apprentices shall be as set forth in Appendix C. Metal Trades Mc covered by this agreement are exempt from Section 9.2.

Contributions in themselves are deemed as providing coverage as may be required by the law. Eligibility for coverage is controlled by the trust and is another matter apart and separate.

Each Employer adopts and agrees to be bound by the terms and conditions of the agreements establishing and governing:

- a. The Plumbers' Pension Fund, Local 130 UA being that Trust Agreement dated May 14, 1953; and any amendments previously made thereto, with the same force and effect as though said Trust Agreement was set forth here in full.

- e. The Employer agrees to make the contributions required by this Section 9.2 and Appendix C into the Funds established and governed by said Trust Agreements and to be bound by all amendments thereto hereafter made as if the Employer had signed the original of said Trust Agreements and any amendments from time to time or to be made.

The Employer and the Union acknowledge that the Board of Trustees of the Welfare Fund may prepare and approve the necessary documents and agreements to take the necessary actions to establish in cooperation with other unrelated collectively bargained welfare funds additional wellness centers in the future in order to provide benefits for employees covered by the CBA, and agree to be bound by the terms of those wellness center agreements, as applicable; provided that such documents are in compliance with applicable laws and are otherwise not inconsistent with the CBA. Furthermore, the Employer and Union ratify all legally valid actions taken by the Board of Trustees of the Welfare Fund that are within the scope of their authority to establish the wellness centers.

It is understood the Welfare Fund is a multiemployer employee welfare benefit plan that is established or maintained under or pursuant to one or more collective bargaining agreements as defined under Sections 3(1) and 3(37) of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) (29 U.S.C. 1002(1), and 1002(37)), and that the welfare benefits provided to eligible participants of the Welfare Fund at the wellness centers are component benefits of the Welfare Fund.

The Employer agrees to make the contributions required by this Section 9.3 and Appendix C into the Fund

SECTION 9.4 West Suburban Association Industry Fund (WSA Industry Fund). Effective as of the dates set forth in Appendix C, each Employer shall contribute the sums set forth or to be determined in the manner set forth on Appendix C for each hour worked by each employee covered by this Agreement, including apprentices, to the West Suburban Association of Plumbing Contractors Industry Fund, a not-for-profit corporation.

The parties agree that since the West Suburban Association of Plumbing Contractors is an industry fund, proposals related to it are permissive subjects of bargaining. While the West Suburban Association of Plumbing Contractors has agreed that the "pursuits" of the West Suburban Association of Plumbing Contractors, as described in the West Suburban Association of Plumbing Contractors By-Laws adopted are to be included in the Collective Bargaining Agreement, that inclusion should not be construed as a waiver of the West Suburban Association of Plumbing Contractors' position that this entire subject is "permissive" and should not be construed as any restriction on the West Suburban Association of Plumbing Contractors Industry Fund's right to interpret, amend or change its By-Laws including the "pursuits" recited therein.

Any amendment, change, or alteration of the existing West Suburban Association of Plumbing Contractors By-Laws adopted including "the pursuits" recited therein will not in any way alter, amend, change or affect the provisions of Section 9.4, par. 3 of the Collective Bargaining Agreement for the term of this Agreement.

Except as provided in Section 6.8 for an Employer who is unable to obtain a bond or irrevocable letter of credit, all contributions and deductions provided for in this Agreement are due the first (1st) day of the month following the month for which they are owed. However, contributions and deductions received by the Benefit Funds by the fifteenth (15th) day of that month will not be subject to interest and liquidated damage charges (e.g. contributions and deductions for the month of June are due July 1, but can be paid up to July 15 without incurring interest and/or liquidated damage charges). An Employer who fails to make such contributions and deductions by the 15th day of the month in which they are due, shall pay, in addition to the actual delinquent amounts, interest thereon beginning with the due date at the rate of a minimum of eight percent (8%) per annum or Prime plus three percent (3%) whichever is higher and liquidated damages in the amount of eight percent (8%) on the cumulative outstanding balance due. The cost of administration and collection are inherently difficult to predict. Therefore, the parties understand and agree that the liquidated damages and interest provided herein are reasonable estimates of those costs and not penalties. The delinquent Employer shall also be responsible for any employee's claim for Welfare benefits arising during the period of such delinquency.

If discovered that prior contributions or deductions have not been in accordance with the terms of this Agreement, the Employer advised of the discrepancy shall remit the amounts due plus the above described interest and

The provisions for interest, liquidated damages, reimbursement of litigation costs, strikes, picketing and/or other remedies set forth herein and available to the Union and/or Trustees of the various Funds in the event of an Employer's breach of any obligation under this Section 9.8 and Sections 9.1, 9.2, 9.3, 9.4, 9.7, and 9.9 of this Article IX, and Sections 6.4, 6.5, and 6.6, of Article VI are cumulative and are not intended to serve and shall not serve as a substitute for or in any way limit any other remedies or relief which also may be available to the Union and/or the Trustees under this Agreement or under any Illinois or federal law. Upon five (5) days written notice by Certified Mail the Union shall have the right to withdraw its members from the employ of, to picket and/or to take other lawful action against any Employer who fails to make the required benefit contributions and/or deductions as required by this Agreement. Such withdrawal of employees, picketing and/or other lawful economic action shall not be considered a violation of this Agreement on the part of the Union and shall not be subject to arbitration.

In the event an Employer shall default in the payment of any contributions or deductions provided for by the terms of this Agreement, it shall be considered the same as failure to pay wages.

The Employer shall make such books and records available at reasonable business times and hours, at the option of the Fringe Benefit Funds, to a representative of a certified public accountant designated by the Benefit Funds. If employees are withdrawn from any job or if the Union strikes in order to compel an Employer to make such books and records available, the employees who are affected by such stoppage of work shall be paid for up to twenty-four (24) hours wages lost at straight time pay. Such withdrawal of employees picketing and/or other lawful economic action to compel an Employer to make his books and records available shall not be considered a violation of this Agreement on the part of the Union and it shall not be a subject of arbitration.

INTRODUCTORY LETTER

To All Participating Employers, Contractor Employees and Union Members

Drug and alcohol abuse in the workplace costs companies over 100 billion dollars per year. Statistics show that nationwide almost 10% of employees use drugs in the workplace. Drug testing in the workplace is not only cost-effective; it is a successful deterrent to the harmful and sometimes tragic impact of substance abuse.

During the negotiations for the 2004 labor agreement, the All Industry Committee discussed the importance of a new drug and alcohol policy. As that discussion continued, several important areas were addressed. It was determined that providing a safe work place and providing assistance for those individuals that have a problem were paramount. It was also determined that the need for an industry wide program that would satisfy the owners, general contractors and insurance companies was not only important but the wave of the future. By agreeing to a comprehensive plan we are taking the future of the plumbing industry in our own hands. The following policy is the product of countless hours of research, meetings and interviews.

This policy applies to all employers with an agreement with Chicago Journeymen Plumbers' Local Union 130, U.A. Employers may also include all maintenance, sales, clerical, management, owners, and part-time employees as well as applicants for any such position.

The Policy calls for substance abuse testing in three circumstances:

1. Systematic computer selected testing
2. Testing for cause (including post-accident per OSHA requirements)
3. Accelerated testing

In order to guarantee confidentiality, every participating employer is asked to select two Designated Representatives, referred to as Communicators, to handle all Program business. The local Union has Communicators as well for people on Referral. Only these Communicators will be informed about any matters concerning testing.

The systematic computer selection testing process works this way. CDS Services, Inc. (CDS), the plan Administrator that has been selected to administer the program, will send an e-mail to the Communicator informing them to go on-line at www.cdsonsite.com to obtain their list of employees that have been selected for a random/periodic test. The Communicator is asked to inform these participants that they must report for testing by the end of the next business day.

To prove a test was taken, at the time of the testing, the collection site will give the participant a chain of custody form to bring back to the Communicator either at the workplace or at Referral or the Communicator can go on-line at www.cdsonsite.com to determine if the participant has provided a test. The participant is not contacted if the results are negative.

If the test is non-negative, CDS will contact the Communicator, who will inform the participant to contact the Medical Review Officer (MRO) to determine if there is a reason for the non-negative test result. If the final result is positive, the MRO will inform the participant and will

contact CDS Services, Inc., who will contact the Communicator to inform him/her that the participant is Non-Compliant.

The Communicator will give the participant Exhibit F, Reinstatement Requirements Form, which provides the phone number for the Member Assistance Program (MAP) or the Employee Assistance Program (EAP) so that an evaluation can be scheduled. The participant is removed from work until the evaluation by the MAP/EAP is completed. Once given notice of "Return to Work" release by the MAP/EAP, CDS Services, Inc. will let the participant and the Communicator know of the permission to return to work.

The Program is designed so that those who test positive for substance abuse will get the help they need. As long as the participant complies with the program there will be no disciplinary action. If, however, the participant does not comply, disciplinary action, as called for under this Policy will be invoked. This action may include termination.

The Policy book has been sent to all participants registered with the program. If more copies are needed, they can be obtained through CDS Services, Inc., the West Suburban Association of Plumbing Contractors (WSA) of Chicago and Cook County, or at the Union Hall.

We hope this packet of information will help you understand the workings of the Program and its policy procedures. Please read the contents of this packet thoroughly to ensure that you understand the program completely. If you have any questions, please contact the Administrator of CDS Services, Inc. at (314) 645-5577.

Sincerely,

James Coyne
Local 130 Business Manager

Labor Relations Committee Chairman

STATEMENT OF PURPOSE

The labor and management representatives of the plumbing industry have formed a partnership to address the problems caused by drug and alcohol abuse. The West Suburban Association of Plumbing Contractors and Local Union 130 have created the Plumbing Industry Drug-Free WSA Alliance (hereafter "WSA Alliance") to establish and monitor programs designed to address drug and alcohol abuse problems in the plumbing industry.

CDS Services, Inc. will administer the program established by the WSA Alliance. It is the WSA Alliance's purpose to provide a vehicle to help establish and maintain a workplace free of the destructive effects caused by the use of drugs and alcohol. The WSA Alliance activities are not intended to interfere with normal practices of the union or management. The WSA Alliance recognizes its responsibility to communicate with and educate its participants relative to this policy and the harmful effects of drugs and alcohol in our society and workplace. The WSA Alliance also recognizes the need to facilitate access to programs of assistance to those persons for whom drugs or alcohol may be causing problems. Finally, while not wishing to violate the rights or invade the privacy of any participant, the WSA Alliance drug-testing program will detect those participants who are unable or unwilling to conform to the established program.

Participants who are at-will employees of contractors associated with the WSA Alliance will be subject to internal company disciplinary policies.

The WSA Alliance shall take reasonable measures to safeguard the privacy of participants in connection with this Policy, including maintaining the confidentiality of participants who come forward to discuss alcohol or drug abuse affecting them. Anyone who voluntarily seeks assistance or rehabilitation for alcohol or drug related problems before being asked to submit a test shall be granted amnesty. However, seeking assistance is not a defense to discipline for violations of this policy.

THE POLICY

INTRODUCTION

Persons who use illegal drugs or abuse alcohol or other controlled substances, on or off their jobs, are likely to be less productive, less reliable, more frequently absent, and to have other work-related problems that can cause increased costs, delays, accidents, injuries, and may damage the health, safety and well-being of other workers on the job. The construction industry can control and reduce this problem by taking several specific steps:

- Recognition of the problem;
- Development of a comprehensive policy;
- Implementation of a program of education and information;
- Promotion of an assistance program;
- Implementation of fair and respectful drug testing that conforms to federal drug testing program guidelines.

Any effort to control and reduce the negative consequences of drug use and alcohol misuse in the construction industry must be done with the utmost confidentiality and respect for the participant.

In order to enhance substance abuse awareness among all those involved, educational seminars and training programs will be offered. The educational seminars will be directed toward education of all participants about the seriousness of the problem of drug and alcohol abuse in this country and how the use of drugs and alcohol negatively impacts safety, productivity, and the competitive ability of the American workforce.

Participants who may serve in supervisory positions will receive specific training intended to assist them in identifying problem situations and/or warning signs of impairment. In addition, these training sessions will clarify their responsibility to document, intervene and follow up with the troubled participant. The discussion of intervention will provide specific guidance on how to comply with the management responsibilities associated with all aspects of the drug-testing portion of the program. These sessions will be offered on a scheduled basis, sufficient to satisfy the training requirements of all employers and are available on-line at www.cdsonsite.com.

The WSA Alliance encourages all participants troubled by their own or a family member's drug or alcohol abuse to seek professional care and treatment. Early recognition and treatment of alcohol and drug abuse provides the greatest opportunity for successful recovery. Current participants will be referred to the Member Assistance Program/Employee Assistance Program (MAP/EAP) as a result of a non-compliant test. The content of the discussion with the MAP/EAP will be protected and confidential. A participant, who seeks the services of the MAP/EAP on his/her own, will never have his/her use of the program brought to the attention of the WSA Alliance or any of its subscribing organizations or participants. Participants, who use the MAP/EAP as a consequence of a non-compliant test, will be subject to the conditions established in the testing portion of this policy.

The MAP/EAP provides confidential assistance to participants and their dependents that are experiencing substance abuse or an alcohol-related problem in their own lives. The MAP/EAP staff has knowledge of the level and types of benefits available to the WSA Alliance participants.

Participants can access the services of the MAP/EAP through a hotline that is staffed twenty-four (24) hours a day, seven (7) days a week, throughout the entire year. Participants calling the MAP/EAP hotline are put in touch with a counselor who will conduct a professional assessment and may meet with them to further assess the nature of the problem in order to provide the best and most appropriate level of care. Certified and credentialed human service professionals who are sensitive to the needs of the participant, staff the MAP/EAP. Participants who take the initiative to contact the MAP/EAP for assistance do so with the assurance that their calls will be treated respectfully and confidentially.

WSA and the Plumbers Union Local 130 shall approve any amendments to this policy.

PROHIBITIONS AND REQUIREMENTS

Participants must adhere to each of the following rules and regulations:

1. All those applying for employment, union membership or placement in the apprentice program with any employer or local union shall be subject to pre-employment testing by way of a hair follicle and urine analysis.

Upon a legitimate positive test result the applicant will be denied employment, union membership or entry to the apprentice or training program. Those applicants that have been denied under this section will be ineligible to reapply for a period of one year from the date of denial, or upon verified completion in a MAP/EAP designated program at the individuals' expense.

2. The use of alcohol or drugs by employees during working hours or on the job site or on company property (including company vehicles) is absolutely prohibited.

- a) The term "use" means consuming, possessing, selling, transferring, concealing, distributing or arranging to buy or sell, being under the influence of, or reporting for duty under the influence of alcohol or drugs as set forth in this policy, or having illegal drugs in one's possession.
- b) The term "alcohol" means any form of alcohol including ethanol. The term "drug" means any intoxicating substance, narcotic plant or similar substance identified under the Controlled Substances Act or similar state law. The term "drugs" includes prescribed medications not used in accordance with a valid medical prescription.
- c) Notwithstanding any other provision in this policy, the use of prescription medications in accordance with a lawful prescription and the use of over-the-counter medications are not violations of this policy. However, marijuana and its active ingredient THC are illegal under federal law and accordingly are included in this definition of drug notwithstanding any use that might be permissible under Illinois law.
- d) The term "working hours" means all the time in which employees are engaged in work duties or subject to the control of the Company, and also includes meal periods, scheduled breaks and travel to work or from one workplace to another. Social events voluntarily attended during non-working hours are not covered under this policy.
- e) The term "company property" means all facilities, job sites, vehicles and equipment that are owned, leased, operated or utilized by the Company or its employees for work-related purposes, including parking areas and driveways, as well as lockers, toolboxes or other storage areas used by the employees. It also includes other public or private property, facilities, vehicles and equipment located away from the Company facility if the employee is present on such property for a work-related purpose.
- f) Participants who have drugs or alcohol in their system at or above the cutoff values specified in the Administrative Rules are under the influence.
- g) The term "accelerated testing" means any follow-up testing recommended by the evaluator.

3. In order to enforce this policy, participants shall be required to submit to drug and/or alcohol testing in accordance with this policy. Except as otherwise provided in this policy, no participant will be tested for alcohol unless there exists a reasonable suspicion that the person is under the influence of alcohol, or they are involved in an OSHA recordable on-the-job accident. Testing for these two reasons will only be done by evidential breath testing device (breathalyzer).
4. Any participant who is convicted of a drug or alcohol crime occurring in the workplace or while on company assignment and who is employed by an WSA Alliance affiliated employer must report this information to his/her immediate supervisor no later than five (5) days after such conviction. The supervisor must convey this information to the appropriate employer representative.
5. Participants subject to this policy continue to have access to the usual protections provided as a part of their union membership and/or as members of bargaining units covered by collective bargaining agreements. If a participant is aggrieved by any action taken under this Policy and his/her complaint cannot be resolved the complaint may, if the participant or Union requests, be referred as a grievance under the grievance and arbitration provisions of the participant's collective bargaining agreement. In the event the matter is referred to arbitration, the provisions of this Policy shall bind the arbitrator substantively.

TESTING

All participants of the WSA Alliance affiliated employers will be subject to the WSA Alliance program, and will be tested at least once, but not limited to one occasion during each 24-month period. Testing will be done through a computerized selection program.

Testing will take place on a regular basis. Participants selected for random/periodic testing will be instructed to report to a participating collection site by the end of the next business day. Their employer will give employees one hour off with regular pay and fringe benefits. If the participant is currently unemployed he/she will receive a dollar amount equal to one-hour regular pay with fringe benefits from the WSA Alliance. The employer will provide the participant with the names of collection site locations. The participant will receive a chain-of-custody form and an Employee Notice of Policy, Consent and Release form (Exhibit A) from the employer or at the collection site. Alternatively, for electronic chain-of-custody forms, the employer can provide an authorization code to be given to the collection site by the participant. Whenever a participant is directed to submit to a test, the participant should contact the collection site to verify the site's hours of operation and notify the collection site at the time of testing that he/she are testing under the WSA Alliance Program. A copy of the Notice of Policy, Consent and Release Form appears as Exhibit A. (Exhibit A must be faxed back to the Administrator at CDS Services, Inc., Inc.)

Participants may also be tested if there is "reasonable suspicion" to suspect that a participant's work performance or on-the-job behavior is affected in any way by drugs or alcohol. (See Exhibit E)

To implement an appropriate and acceptable program, the WSA Alliance has adopted six (6) safeguards that reflect the standards established by the U.S. Department of Health and Human Services (DHHS) and the National Institute of Drug Abuse (NIDA). Those safeguards are as follows:

1. The integrity of collected urine specimens will be insured by utilization of one collection procedure at all sites. Samples will be collected in accordance with federal standards that provide for a continuous chain of custody and which recognize privacy concerns regarding the participants being tested.

2. Carefully selected accredited laboratory that have also obtained and retained DHHS certification will conduct testing.
3. All drug tests that screen non-negative must be confirmed by gas chromatography/mass spectrometry (GC/MS).
4. A Medical Review Officer (MRO) will review all non-negative drug test results received from the laboratory prior to confirming the test result as positive. The MRO is a physician with specialty training and expertise in substance abuse and drug testing. The MRO will review non-negative test results to insure that proper procedure, protocol, and reporting is done. The MRO will interview the person with a non-negative test result by telephone to assess whether any legitimate explanation exists for the non-negative test result. The participant must contact the MRO by telephone to discuss the non-negative test result received from the laboratory. The MRO also notifies participants that they will have three working days from the date they are notified of their result to make and support any explanations or rebuttal they have for such results, and will have five working days from the date they are so notified to request, and make satisfactory arrangements to pay for a retest. If the participant with non-negative lab result does not contact the MRO after 24 hours, the MRO will notify the Administrator of CDS Services, Inc. that the participant has been ruled as an administrative positive.
5. Urine samples will be separated into two containers at the time the sample is collected. One portion of the original urine sample shall be kept secure and chemically stable and made available for verification of laboratory testing results. Diluted specimens will be considered invalid and the participant will be required to immediately submit to another test. Unsuitable specimens will be considered invalid and the participant will be required to discuss the unsuitable result with the MRO and immediately submit to another test under observation. A participant may be removed from active duty for a diluted or unsuitable specimen. Adulterated and substituted specimens will be considered as a positive test result and the participant will be removed from active duty and not eligible for referral or rehire until the participant is evaluated by the MAP/EAP and has initiated or completed the recommended treatment program. The WSA Alliance uses U.S. Department of Health and Human Services guidelines to determine when specimens are adulterated, diluted, unsuitable or substituted. All drug test positive samples will be retained in a locked frozen facility at the testing laboratory for one year. The retained urine samples will be available should the results of that test be disputed or should arbitration or litigation arise out of the actions taken because of the test results.
6. Employees who have confirmed medical conditions that do not permit them to provide a valid urine specimen (for example, employees on diuretics, employees required due to medication or other conditions regularly to consume large amounts of fluids, employees undergoing dialysis) will be permitted to satisfy the testing requirements through alternative means of testing such as blood or saliva testing. These arrangements will require medical documentation and will be considered on a case-by-case basis.

On a periodic basis, the WSA Alliance, through CDS Services, Inc., will submit blind pre-tested urine samples with appropriate documentation to the drug-testing laboratory as a means of assuring laboratory proficiency.

As a further protection to the six (6) listed safeguards and the representation described above, the WSA Alliance reserves the right to contract the services of a toxicologist or other appropriate independent professional to audit the collection facilities and the drug-testing laboratory as deemed necessary. The purpose of this audit shall be to insure that guidelines developed to protect the participant's rights, the interest of the WSA Alliance, and all those affiliated with the WSA Alliance

are rigorously adhered to and to insure that those procedures used to conduct drug testing continue to meet or exceed the standards of performance established by federal guidelines.

CONSEQUENCES

1. Participants who test non-compliant shall be required to comply with the following:
 - a. Upon a first non-compliant test, the participant will be referred to the MAP/EAP for an evaluation and must complete the recommended treatment or education program, which will include accelerated testing. (See Exhibit F)
 - b. Upon a second non-compliant test within a two-year period, the participant will be referred to the MAP/EAP for an evaluation and must complete the recommended treatment or education program. In addition, the participant will be placed in the accelerated testing program for one year following his/her return to work. (See Exhibit F)
 - c. Upon a third non-compliant test within a two-year period from the preceding (second) test, the participant will be referred to the MAP/EAP for an evaluation and must complete the recommended treatment or education program. In addition, the participant will be placed in the accelerated testing program for one year following his/her return to work. The participant will be required to sign a "Last Chance Agreement" between himself/herself, the WSA Alliance and the Union or Contractor. (See Exhibit G)
 - d. Upon a fourth non-compliant test within a two-year period from the preceding (third) test the participant will be referred to the MAP/EAP for an evaluation and must complete the recommended treatment or education program. In addition, the participant will be placed in the accelerated testing program for one year following his/her return to work. The participant shall be terminated from employment and, if the referral procedure policy provides, shall be ineligible for referral until he/she has satisfactorily completed the assigned treatment or other program. The participant will be required to sign a "Last Chance Agreement" between himself/herself, the WSA Alliance and the Union or Contractor. (See Exhibit G)
 - e. The two-year period described (in a through d) above is a rolling two-year period, which commences on the date of any non-compliant test.
2. As outlined herein, a first or second non-compliant test shall not be the sole basis for termination. However, participants who are in non-compliance with the WSA Alliance program will be removed from active duty and are not eligible to return until the MAP/EAP evaluates the participant and the participant has initiated or completed the recommended treatment program. For purposes of this provision, "non-compliance" shall be determined by the Administrator and shall mean:
 - a. Failing to take a test as scheduled
 - b. Failing to keep a scheduled appointment with the MAP/EAP
 - c. Failing to participate in and/or complete the assigned treatment or education program.

3. Where the program's MAP/EAP recommends treatment or education, the participant may nevertheless return to work or be referred from the "out of work list" once a return to work release has been obtained from the MAP/EAP.
 4. Discipline of bargaining unit members for policy violations addressed or not expressly addressed in this policy shall be in accordance with the Collective Bargaining Agreement. The grievance procedure shall be made available to all collective bargaining personnel. Non-collective bargaining personnel shall be subject to internal company discipline procedures.
 5. Nothing in this policy shall be construed to authorize any action that is unlawful under federal or state law.

REASONABLE SUSPICION TESTING

The "reasonable suspicion" standard is applicable to, but is not limited to, any on-the-job accident, particularly where there is a fatality, serious bodily injury or significant property damage.

Reasonable suspicion testing, or testing based on abnormal or unusual behavior or other circumstances sufficient to lead a reasonable person to suspect that a participant is using under the influence of, or is in possession of an intoxicant shall be established by an immediate supervisor and should be confirmed by one other supervisor whenever feasible. The immediate supervisor shall document, in writing, the incident and the reasonable cause basis for such testing. The documentation shall specifically detail the actions of the participant, the location, date, time, length of observation, any witnesses, and should be signed by the supervisor who witnessed the incident. See Exhibit E.

Participants who are union members subject to this policy continue to have access to the usual protections provided as a part of their union representation/membership. If a participant is aggrieved by any action taken under this Drug Policy and his/her complaint cannot be resolved, it may be, if the participant or Union requests referred as a grievance under the grievance and arbitration provisions of the participant's collective bargaining agreement. The arbitrator shall be bound substantively by the provision of this Drug Policy.

Refusal to take the reasonable suspicion test or failure to comply with all necessary elements of the testing program may result in the participant being disciplined up to and including discharge by the WSA Alliance affiliated employer. Participants who as a result of testing for reasonable suspicion, lose time from work while awaiting the test results, and who are found to be negative or below the established levels of prohibited substances in their specimens, shall be reimbursed at their applicable rate of pay for lost time from work by the participant's respective employer.

Any participant who disputes positive results shall have the right to have his/her initial sample independently re-tested by a DHHS certified laboratory of his/her choice, at his/her own expense, within five working days of when he/she was notified of the test results. A portion of the initial sample shall be forwarded under chain-of-custody directly by the WSA Alliance testing laboratory to the laboratory selected by the participant. Evaluation of the drug test must be performed by a qualified MRO approved by the WSA Alliance. If the second lab report test reveals negative results, then both tests will be considered negative. Under these circumstances, the affiliated contractor/employer has agreed to reimburse the participant for compensation lost during the period of his/her removal and the WSA Alliance will reimburse the participant for the cost of the second test.

A participant whose positive test results are confirmed will be referred to the MAP/EAP by the MRO. The participant is expected to attend all appointments with the MAP/EAP counselor and comply with treatment recommendations.

TRAVELING CRAFTSPERSON AND TEMPORARY ASSIGNMENT

There may be times when certain jobs require the recruitment of traveling craftsperson. It is the position of the WSA Alliance that all traveling craftsperson be subject to both initial and random testing. This provision will also apply to those individuals working under the portability rules. In order to avoid situations wherein a craftsperson will be forced to have one (1) or two (2) uncompensated days while waiting for the results of the initial urine drug screen to be reported, traveling craftsperson will be allowed to report to work immediately after providing a urine specimen for testing. The craftsperson understands and accepts that should his/her urine test positive for any prohibited substance; their employment will be summarily terminated without obligation or further compensation. Such termination shall also be subject to the participant's rights under his/her collective bargaining agreement.

Participants who are called to work assignments that are anticipated to last three (3) days or less are subject to the WSA Alliance drug-free workplace policy, but may be exempt from the drug-testing program. If the assignment subsequently exceeds three (3) days, or if the participant accumulates more than three (3) days, the participant becomes subject to the drug-testing program.

Participants will be allowed to remain at work after three (3) days if they provide a urine sample for testing. Should the test be reported as positive, the participant shall be subject to discipline up to and including termination by the WSA Alliance affiliated contractor, subject to the participant's rights under his/her collective bargaining agreement.

ADMINISTRATIVE RULES

GUIDELINES FOR SPECIMEN COLLECTION SITES

The urine collection process will follow to the extent and in the manner provided in DHHS guidelines.

1. The participant will be asked to provide picture identification (Company identification card, driver's license, etc.) to the attendant at the collection site.
2. Participants who want a hard copy of their drug test results may send a notarized request and a certified check for \$15.00 to CDS Services, Inc., 2348 Hampton Ave., St. Louis, MO 63139. The request should include their name and Social Security number.
3. If the drug test is for reasonable suspicion purposes and not random, the supervisor or another manager is required to accompany the participant to the specimen collection location.  - a) Participant should be escorted to a collection room and asked to provide an unadulterated urine specimen in the collection cup provided.
 - b) The cup should be filled to 60 ml.
 - c) The specimen cup should be returned to the medical technician who will witness the participant initialing and dating the integrity seals placed on the specimen.

 - e) Verify that the participant's social security number has been properly recorded.

- f) Verify that the chain-of-custody form number placed on the specimen bottle is the same as that on the chain-of-custody form.
4. The following procedures apply for alcohol testing. Alcohol testing will not be done on a random basis.
- a) Alcohol testing shall be conducted in a location that affords visual and aural privacy to the individual being tested.

 - c) The BAT must supervise only one participant's use of the Evidential Breath Testing device (EBT) at a time. The BAT is not to leave the testing site while the test is in progress.
 - d) An individually sealed mouthpiece shall be opened in view of the participant and attached to the EBT.
 - e) The BAT shall instruct the participant to blow forcefully into the mouthpiece for at least (six) 6 seconds or until the EBT indicates that an adequate amount of breath has been obtained.
 - f) If the result is 0.02 or greater, a confirmation test must be performed as provided.
 - g) The confirmation test shall be conducted within 15 minutes of the completion of the screening test.
 - h) A new mouthpiece must be opened and used for the confirmation test.
 - i) The confirmation test result is deemed to be the final result upon which any action under operating administration rules shall be based.
5. If the test is for reasonable suspicion purposes and not random, after the appropriate specimens have been collected, the company supervisor will then take the participant home or to another safe place. In no instance should the participant be allowed to drive home on his/her own. All reasonable effort, short of force, should be used to convince the participant that his/her should be taken home, including contact with family members, taxi service, etc. If it appears that the participant will attempt to operate a motor vehicle, and all reasonable attempts short of force have failed to dissuade the participant, the proper authorities should be called and advised of the situation.
6. Immediately after return to the work location, the company supervisor should complete all documentation and prepare a report of all of the events that occurred from the initial observation of reasonable suspicion through the testing process and the disposition of the participant. This report should be sent to his or her immediate supervisor directly following the incident or in any event on the same day. See Exhibit E.

(1) The Program will continue to test for cannabis/marijuana when performing Customer mandated pre-access testing, post-accident/incident testing, and reasonable suspicion/cause testing. Further, the Program will continue to test for cannabis/marijuana during Probationary Status/Follow-up tests that are performed subsequent to a positive post-accident/incident test or reasonable suspicion/cause tests. The Program will not test for cannabis/marijuana in any other circumstances except the ones described in this paragraph.

An alcohol test for post-accident or for cause will be done by Breathalyzer testing and will be a reported positive at a concentration of .02 or higher.

RANDOM/PERIODIC SELECTION PROCESS

Participants will be selected randomly from the 50% pool. The names of selected participants will not be returned to the pool, so that every two years all employees will have been tested at least once. At the same time all participants will be part of a second pool, referred to as the periodic pool, in which 10% of the participants will be selected for testing each year. Participants in the 10% pool can be selected for testing at any time even if they have been selected recently from the 50% or 10% pools.

PROTOCOL FOR A POSITIVE TEST

1. Upon verifying that a drug test is a confirmed "positive," the MRO will contact CDS Services, Inc. notifying them of the positive test result. CDS Services, Inc. will contact the Communicator who will provide the Reinstatement Requirements to the participant. If the participant chooses not to utilize the MAP/EAP or not to follow the MAP/EAP's recommendation, he/she will be required to wait for thirty (30) days from the date of initial contact with the MRO before being allowed to test again. During this thirty-day waiting period, the participant must be terminated by the contractor and is ineligible for referral. See Exhibit F.
 2. Upon making the phone call to the MAP/EAP, the participant will be set up for an evaluation appointment. During the evaluation, the MAP/EAP counselor will request that the participant sign a release authorizing MAP/EAP communication with CDS Services, Inc. regarding contact and cooperation. If the participant chooses not to sign the release, utilize the MAP/EAP or follow the MAP/EAP's recommendation, he/she will be required to wait for thirty (30) days from the date of initial contact with the MRO before being allowed to test again. During this thirty-day waiting period, the participant must be terminated by the contractor and is ineligible for referral. (See Exhibit F)
 3. Once the participant agrees to the MAP/EAP program he must complete it or be considered non-compliant. The participant may no longer wait out 30 days.
 4. Once the MAP/EAP counselor feels the participant is ready to return to work, the counselor will determine a drug-testing regimen, the first test of such regimen being used as one factor in the return to work criteria.
 5. The MRO will be brought back into the process with the occurrence of a subsequent "positive" test.
