The luncheon will include a presentation from Country Financial on how to protect your families' financial future. Additionally, representatives of the Union Wellness Centers and Union Eyes will be present to discuss better health care for you and your family.

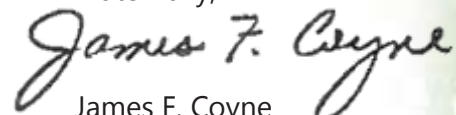

Transportation will be available from our satellite offices. There will be buses available at all three satellite locations Joliet, Volo and Warrenville. We will be hosting our annual holiday drive to help the less fortunate. We will have a donation box at the entrance of each location for new or gently used coats in children and or adult sizes. We will continue collecting through December 9th. Let's share the warmth!
